To Whom It May Concern,

I am pleased to recommend Mrs. Jennifer Kuhn for a teaching position in your district.

I had the pleasure of working with Mrs. Kuhn throughout the 2015-16 school year, while she served as my long-term substitute. During her time at Five Points, Mrs. Kuhn worked with approximately 1000 students, through grades 2-5. She demonstrated several strengths as a teacher during her time in Springboro.

While at Five Points, Mrs. Kuhn prepared creative and enjoyable lessons that allowed all students to achieve success. Every lesson was very well thought out and organized, while differentiating for the many ability levels of the students at Five Points. Mrs. Kuhn was knowledgeable about the concepts she taught, and reflective after each lesson. She was always eager to learn new teaching techniques, and enthusiastic about what she was teaching. Mrs. Kuhn also incorporated the use of technology, along with classroom and outside resources.

Mrs. Kuhn developed an excellent rapport with the students at Five Points Elementary during her short stay. She demonstrated respect for and interest in individual students' experiences, thoughts, and opinions. With a 40 minute block schedule, Mrs. Kuhn effectively maximized instructional time, transitioning seamlessly through activities, while combining independent, collaborative, and whole-class learning situations.

I would highly recommend Mrs. Jennifer Kuhn be hired as a Music teacher within your district. I am confident that she will provide the same level of commitment to education and teaching in your district that she showed during her long-term assignment at Five Points Elementary. If you have any additional questions, please contact me at any time.

Sincerely,

Minna A. Espy
